Government Regulations, Banning Clear-Cutting of Forests, Reforestation and Afforestation, Reduce Consumption of Papper, Packagings, Educate Others, Purchase from Sustainable Forest-Friendly Companies, Land Use Planning,

Join Forest Friendly Organizations

Threat of ecosystem
Loss of Habitat
Loss of trees can affect water quality
Increase in Greenhouse Gas Emissions

Soil Erosion

WWF Organization, Rainforest Action
Network, Canadian Foresty Assosiation,
Conseravtion International, Forest
Stewardship Counsil Canads (FSC), Rainforest
Alliance, Trees for the Future, Amazon Watch

Reduce People Consuption, Reduce Plastic, Protect Environment, Invest in Renewable Energy, Support Sustainable Businesses, Protect Lands/ Oceans/ Forests, Join Cruelty-Free communities, Use Energy Wisely

ISO Standarts, DNV Standarts, Climate
Collaborative, Climate Group, Earth Justiece,
Envirnmental Defence Fund, Friends of the
Earth, Greenpeace, Health and
Environment Alliance

Global warming
Floods
Animal Extinction
Carbon Dioxide rise
Cyclones

Land Use

WASTE ACCUMULATION

Surface and Ground Water Pollution Chemicals Contaminating Soi Change in Animal Habitat Bacterial and Viral Pandemics Attracts insects, rats, etc

Squamish-Lillooet Regional District, A Greener
Future, PragmaTech Waste Solutions, Zero
Waste Canada, National Demolition
Association (NDA), The ReUse People, Habitat
for Humanity ReStores, Build Reuse

Design and Implementation of Integrated Waste Management, Recycle, Buy Secondhand Items, Donate Used Goods, Buy Less, Avoid Single-Use Bags to Reduce Packaging, Compost, Purchase Wisely, Wear Sustainable Materials 4 Per 1000 Initiative, American Farmland Trust, Global Soil Biodiversity Initiative, Global Soil Partnership, Kiss the Ground, Soil Association, Terraton Initiative, The British Society of Soil Science

Humans health condition
Malnutrition
Forced Migration
Loss of Land to Urabanization

Quality of food production

Leave Land Alone, Use Compost and Manure to the Soil, Cut Industrial Manufactories, Reject fast fashion, Cancel Food Waste, To Raise Prices on Building factories, To Increase Prices on Fashion as it brings harm to environment, To put the limit on collections during the year
